**Jeff Dann** joined Tolman & Wiker Insurance Services, LLC in 1990, becoming a partner in 1996. Jeff specializes in Commercial Property & Casualty Insurance and Workers' Compensation programs, providing his clients with risk avoidance and risk transfer consulting. He holds the designation of Certified Insurance Counselor (CIC). His background reflects a passion for learning and commitment to remaining on the cutting edge of changes that affect the entrepreneurial spirit.

*"My work gives me the opportunity to see various businesses in action. I feel rewarded when I can assist them in improving their desired business outcomes."*

Jeff received a Bachelor's Degree in Liberal Arts and a Multiple Subjects Teaching Credential from California State University, Chico.

He enjoyed being an educator and coach, which was reflected in his five year tenure as Sales Manager for Tolman & Wiker.

Jeff is a native of Fillmore, California, and the second oldest of 10 siblings from a tight-knit family, all of whom reside in the Southern California area. With Jeff's wife Tiffany and their three adult children, he looks for fun in the sun activities: cycling, tennis, hiking, golf, BBQ with family and friends.
