Robin K. Carpenter has been a health insurance broker for 27 years, specializing in employee benefits. Prior to merging her agency with Tolman & Wiker (formerly TWIW) Insurance Services, LLC in 2006 she was the President and Owner of Clifton Carpenter Insurance Agency, Inc. of Bakersfield.

“Helping my clients is what I love most.”

After graduating Magna Cum Laude from California State University, Bakersfield, CA with a BS in Business Administration and French, she began her career as an International Marketing Manager for BankAmerica Corp. in San Francisco, CA, before eventually returning home to Bakersfield to marry her husband. Robin then joined her husband’s family business, a Property/Casualty agency, where she developed a benefits department focused on employee benefits for businesses.

Robin loves helping people, and in her spare time, she enjoys teaching Heart Rhythm Meditation techniques for stress management. A native of Bakersfield, California, she is the great-great-great granddaughter of Bakersfield founder Colonel Thomas Baker, and has a great dedication to serving the local community.

She is a founding member of KAHU, the Kern Association of Health Underwriters, and a 25 year member of NAIFA, the National Association of Insurance and Financial Advisors. Ms. Carpenter is actively involved in a number of professional associations, and is presently a Board Member of the Institute for Applied Meditation, Inc. and a former board member of the Zonta Club of Bakersfield, an association devoted to the advancement of professional women. In addition, she is also a member of the National Association of Health Underwriters, the Association of Health Insurance Agents, and an agent advisory council member for several insurance companies and IPAs.
