Brent McLoughlin joined Tolman & Wiker Insurance Services, LLC in January 2013. In his role as a Risk Advisor, Brent's primary duty is to consult with clients to create new Commercial Lines Insurance policies, as well as providing his clients with ongoing support and expertise.

"What I enjoy most about my job is really making a difference in my clients' personal and professional lives"

Before joining the company, Brent's career began as a Sales Agent with the Auto Club of Southern California, where he was employed for over six years. Prior to entering the insurance industry, Brent received his Bachelors degree in Industrial-Organizational Psychology from Point Loma Nazarene University.

Brent enjoys providing clients with the knowledge they need to make a good decision about their insurance needs and helping them to find risk management solutions tailored to their business. In his spare time, he actively manages and participates in an adult soccer team in the Conejo Valley and enjoys anything outdoors. Brent's hobbies include hiking, bicycling and camping. He is a native of the Camarillo/Somis area and has deep roots in the area, being from a 4th Generation Ventura County family. Brent enjoys working and living in our beautiful community and helping to improve the lives of his clients by reducing their total cost of risk.
