

COVID-19: Returning California to Work Safely

Create a plan to reopen your business and return to work safely during the COVID-19 pandemic at this **free webinar** offered by State Compensation Insurance Fund—California's workplace safety expert and largest workers' compensation insurer.

You'll learn:

- What's required of employers in the Governor's Resilience Roadmap for reopening businesses
- How to conduct a risk assessment and evaluate hazards related to COVID-19 at your workplace
- Tips for adjusting your work environment and processes to reduce the spread of the virus
- Workplace cleaning procedures for COVID-19
- Tips for training employees on new control measures and requirements
- How to create a written Pandemic Preparedness and Control Plan for your business
- Free resources available on SafeAtWorkCA.com, State Fund's online Safety Resource Center

Pre-Registration is Required
